

HOTEL **** AGUAMARINA Golf

The XII edition of Aguamarina Golf tournament did give us a pleasant surprise to be won by a woman. Miss Katia Fernandez Lopez won the competition and a cruise on a private yacht, and won by 72 strokes over par.

The tournament took place last May first in Amarilla Golf and was a success: Three categories for men and for women a single category. The 18 holes were held in individual Stableford Shotgun mode.

Special Awards: "The Longest Drive" was held at the 7th hole, where the fairway is very narrow and forces players to shoot very straight. It was won by the English participant Mr. Mickael McCarthy. "The ball nearest to the pin" was held at No. 18 and was won by Mr. Fabrizio Funegra Pacheco, who was just 1.49 meters from the hole.

Participants in this tournament since the beginning have been loyal players and also some Spanish and foreign tourists. They took advantage of the tournament for a great day with friends and family that ended around the excellent banquet tables in the Aguamarina Golf Hotel.
