

VISIT OF THE WORLD CHAMPIONS OF WINDSURF

On July 14 we were pleasantly surprised to receive some of the participants of the **World Championship Windsurfing 2011** held in **El Medano**, among them was the 2010 World Champion **Victor Fernandez Lopez**, the official photographer **John Carter** and **Daniel Brunch** judge and tournament organizer .

They enjoyed our facilities in the Club as well as our Pitch and Putt and 18 holes course.

The organizer of this fun day of Golf was one of our most regular and loved customer of Amarilla Golf **Sandro Dallesio**, along with **Alex Mussolini**.

Thank you all for visiting.
